

Reports From the Field

These messages were received from some of our stations during January 2023

- Through your program, I have drawn closer to God I study the Bible and try to live my life for God and resist from those things that do not please our God.
- I didn't have faith in God or believe that Jesus died for my sins. After listening to your preaching and also reading Isaiah 52, I felt unclean and that the Lord was talking to me that He has come to redeem me from my sins. I started putting my trust in the Lord and my faith in Him is growing.
- I was listening to your sermon about making decisions without God, that how I have been living but now that I have given my life to Christ my life has changed and things are getting better for me through Jesus Christ.
- I felt touched by your way of teaching the gospel so that we can understand the words of God. I am starting to have doubt if God wants to guide us, why are we still making mistakes and still taking wrong decisions?
- This broadcast has helped me in wanting to know the bible every day.
- For four years I have been monitoring this radio broadcast and what the Lord has done is more than I can say.
- I am one of your constant listeners to your broadcast. After learning the truth about Jesus, I decided to live my life for Him. I wanted to be saved by him so I started trusting in him until last week, the 5th of January, I knelt down and offered my life to Christ. I felt happiness returning to me.
- I used to deal drugs and I was arrested by police and was sent to prison for two years. I just came out some three weeks ago and caught your broadcast. I am kindly asking you to please pray with me for God to give me a good job to do.
- For more than ten years now by parents are idol worshipers but I don't want to be like them I think God so much for your broadcast. It encourages me and is building my faith in the Lord.
- I am grateful to the Almighty because I was involved in a crime. Here in which I was bitterly hurt, taking to the hospital. While in the hospital, I heard someone on the radio preaching on repentance. From that moment I realized that the preaching was directly to me. After that I got touched by your message and after I recovered, up to now, I am a change man in Jesus name.
- I never knew God's plan was different from what men plan for my life and it is you that let me to know that. I sing glory to God every day and am writing to say thank you for opening my eyes to the gospel of Christ.
